

28th June 2024 - No. 494

A message from Mrs Bone, Deputy Headteacher

The final week of June has been a very busy one with much to celebrate. Year 6 have been immersed in rehearsals for their end of year production of Matilda. I have been popping in and out and am so impressed with the enthusiasm and energy of all the children. It is going to be a terrific performance. Thank you if you have been able to support with props for the production.

Pupils from Year 1 and Year 2 played in a Cricket tournament this week and were a credit to you and to the school. Mrs Maund and Mrs Bates were so impressed with their efforts and how they worked together as a team. They won a number of "Magic Moment" medals and came fifth out of eleven competing teams. Huge congratulations to all the children for representing the school and for making us feel so proud of them.

Our Piano concert on Tuesday was a wonderful showcase for our talented musicians. Thank you if you were able to come and support your children. It is clear that the children have been inspired by their teacher, Mrs Williams and have gained in confidence and capabilities as the year has progressed. We now also invite those children to play at the end of worship so that the whole school can appreciate their talents!

Yesterday and today we hosted our first Careers Fayre at school for all children in Year 5 and Year 6. Enormous thanks for the parents who participated and gave up their time to explain the work that they do. The children learned about many different professions ranging from; journalism, engineering, nursing, radiography, graphic design, food safety, IT Operations for Snap chat, Teaching and Property Solicitor. We are so blessed to work with such an amazing parental community. The event was a huge success which we will embed in our calendar for next year.

I hope that you all have a great weekend and we will look forward to welcoming you back to school on Monday. Next week is a very exciting week for our Year 6 pupils who will be visiting their Secondary Schools as part of their transition programme. Good luck Year 6!

Things to Remember

Year 4 - It is PE block week (01.07.24 - 05.07.24). The children will need to bring their PE kit to school on Monday to change into every day.

As summer is upon us, it is imperative that every child comes to school with a **named water bottle** and a **named hat EVERY DAY**. Please apply any **sun cream** and ensure any children that suffer from **hay fever** have medication administered **before** coming to school.

Kingsnorth School would like to say a massive thank you to Wickes in Folkestone who have kindly donated some gardening equipment for our Nurture provision supporting children across the school.

Wickes runs a Community - Programme which helps local initiatives and liked the idea of supporting our school liking the idea that our children take ownership of an area in the spiritual garden.

Children will benefit from using the equipment to care for plants and be able to paint the flower beds in bright colours. There is no doubt that this will have a positive impact on all off the children who access this calm, peaceful and tranquil area of the school.

Outdoor Learning

The children taking part in the forest school pilot have been enjoying bug hunting, swinging in hammocks, den building and willow weaving.

Y1 & 2 Cricket

Ten children from Year 1 and Year 2 took part in a cricket tournament at Mersham Cricket Club. We came 5th out of 12 teams and 3 of our children received medals. All ten children played exceptionally well and were extremely well behaved. They did us proud!
