Staff Changes for Summer 2024 - Update

Dear Parents and Carers,

A couple of weeks ago, I wrote to you sharing the news of some of our staff changes for September 2024 and who will be leaving our Kingsnorth family.

When we know staff are leaving we work very hard to ensure we have the strongest possible team and continue to build on the strengths we have.

It is with great pleasure that I am able to announce new staff and staff changes for next academic year.

In September Miss Moore will take on the role of Acting Deputy Headteacher (and SENCO) to fulfil the position currently held by Mrs Bone. This will enable the strongest continuity for the school community and enable the school to continue to work at our high standards.

This alteration may mean that there will be some system changes and reorganisation of roles and responsibilities. We will inform you of any of these nearer the time.

Another internal change for September 2024, we warmly welcome Mrs Hunt to our school Wider Leadership Team (WLT). Mrs Hunt will lead our Lower School (Year R and Year 1) and brings a vast wealth of experience to this role. We are thrilled to see what she will bring to our Lower School team.

I have the greatest of pleasure in welcoming Mrs Field. Mrs Field has been working alongside the Year R team for this year and she will join us in September for her first class teacher role and we are excited to be part of her teaching adventure.

We also welcome Mrs Knight back to school after having her baby girl. She will be returning during the last couple of weeks of term and makes a full start back in the new school year. We are delighted to have her back as part of the team.

It is with sadness that we say goodbye to Miss Crumbie. She has worked really well with our children and families in her short time here. She has finished her ECT training and will not be returning in September as she continues her teaching career.

Finally, it is with great delight that I can announce that Mr Taylor will be joining our teaching team from September. Mr Taylor has spent the past couple of years working as our Academic Mentor and taken the decision to return to the classroom as class teacher.

We have yet to reorganise the staff team given all of these changes, but as soon as we know the class teachers for next year we will inform you.

We very much look forward to our new team for September and I am sure you will join myself and our staff team in wishing all of these amazing people the very best as they begin their new roles.

From all the Staff and Governors at Kingsnorth CEP School.
