## A message from Mrs Bone, Deputy Headteacher

We have had an action packed week in school as we prepare for the end of term and transition to new classes. On Tuesday the whole school enjoyed a Water Safety session. This is an important part of our safeguarding curriculum which is repeated every year. The children were a fantastic audience and listened carefully to the messages about keeping safe in water and what to do when they see someone in trouble or if they get into difficulty in the water. This included safety in the sea. Swimming pools and in rivers. Children in Key Stage 2 (Years 3 – 6) attended a Road Safety workshop on Wednesday; many thanks to Mrs Dengate and to Mrs Amos respectively for organising these events for the children.

Yesterday the weather blessed us with being able to host our re scheduled Sports Day. Conditions were perfect and thank you to all parents who were able to attend. As ever, the children were amazing and we witnessed some very impressive running events; we have very talented children in school. I think by far my favourite was the confusion that the relay caused! The fun events were a good balance to these competitive events and feedback from children was that this worked well. We will continue to work on the structure of Sports Day and events that suit all children; these will be shared with you during the course of the next academic year. A huge thank you to Mr Taylor for his entertaining compere duties, to Mrs Maund for organising the day, Mr Everett along with parent helpers for setting up and to the entire teaching team for their support of the children – including entering events!

Tonight is the Year 6 Leavers' Event; thank you for your support of this event and to the PFA for their tireless work to support the school.

This is my final newsletter. It has been my pleasure to support the school and help you as a community of families. So this is Mrs Bone, signing out!

Open Classroom - Should you wish to visit your child's classroom and view some of their learning, we will be holding an open classroom session between 3.15 and 4.00 pm on Monday 15 July. This will also provide you with an opportunity to visit your child's new classroom and see their new teacher. Children will start transition from Wednesday next week.

## School News

We are looking for donations of board games and wool for our Nurture Class. Also puzzles aged 4-6 for reception classes. Any donations can be given to the school office. Thank you in advance.

On Saturday Finley & Frankie in Year 2 completed the 5k mud run.

They did amazingly well finishing in 47mins. Between them they have raised an amazing £420 for Cancer research UK.

An amazing achievement well done!

Congratulations to Ruby W in Year 4, who got a first in her first In House Gymnastics Competition. This was in the 2013-2015 aged category.

She is very proud of herself as are we.

The children in Years 3, 4, 5 and 6 were very lucky to have a special roadshow about Road Safety on Wednesday. David Tricks from Road safety shows came to tell the children about how to be safe on the roads and performed magic tricks to demonstrate this.

Huge thanks to the PFA for funding this for the upper key stage 2 children.

On Tuesday we were joined by Lee Cornelius from LAC academy. Lee taught us all about being safe near water. This included understanding the flags at the seaside, how to call the lifeguard and basic life saving skills if we were to fall into a pool, the sea or any type of water. Massive thanks to Mrs. Dengate for organising this for us all.
