### Pupil Celebration of Success Portfolio

Dear Parents and Carers,

Earlier this year I wrote to all parents/carers informing of a new process we would be working on to share some of your child's learning with you.

Following discussions with our Parent Forum, we decided to introduce a "Success Portfolio" which will be brought home at the end of the school year.

This portfolio will be provided for every pupil in Year 1 to Year 6. The children will be invited to choose work from their class books of which they are the most proud; this is likely to be one piece of writing, one piece of Maths and one other piece of work from the wider curriculum (RE, Science, History, Geography, Art etc.) This will be collated at the end of every term.

This year, the children have two terms of work from which to select their most treasured pieces of work. Open Classroom sessions have also provided an opportunity to review past and present learning. Next year, the children will select work from every term and so the portfolio will be weightier and more precious!

Children in Year R (EYFS) already celebrate their learning through a 'Wow Wall' and this learning is collated at the end of the year and will be shared with parents, in the same way as the Success Portfolio.

We hope that you can continue to support the school in our drive for improvement and work with us for the benefit of your children.

If you have any queries, please do not hesitate to contact your child's Class Teacher. We hope you have a restful and peaceful summer break.

Yours sincerely,

Mr I Witts  
Headteacher
