Dear Parents / Carers

### Reading Workshop for parents of children in EYFS, Y1 and Y2

Firstly, a huge welcome back to a new school year and for parents of children in EYFS, to their first school year. We are very excited to work together in order to assure that your child is happy, safe and fulfils their potential.

This year we will be running a series of workshops in order to explain how we teach key subject areas and the resources that we use. As parent, you are expert in your child and we believe that this is an invaluable opportunity to work together and support learning at home.

The first of these workshops is dedicated to Reading which sits at the heart of the curriculum. The workshop is scheduled on **Monday 23<sup>rd</sup> September from 2pm – 3pm**. Our Reading Leader, Miss Bate will lead the presentation which will address the following areas;

- National picture for Reading
- Importance of Reading
- Impact of Reading for Pleasure
- Read Write Inc programme – what does a lesson look like?
- Guides for reading with your child at home
- Opportunity to review other resources

We would be delighted if you were able to join us for this invaluable opportunity to discuss, review and ask questions about our practice and approach to reading for this age group of children. I would be grateful if you could complete the form as below so that we are able know our audience numbers.

Kind regards

Mr Witts

Headteacher
