

Scroll to the bottom of the maths page and you will find our email addresses and the vocabulary for each year group.

Should you have any questions about the teaching and learning of Maths at Kingsnorth Primary School, please contact Mrs Nock and Mrs Hunt – Maths Subject Leaders, by emailing lhoward@kingsnorth.kent.sch.uk or jhunt@kingsnorth.kent.sch.uk

Vocabulary is key when children are explaining their understanding. Use 'calculations' instead of 'sums' as 'sum' means addition. Use the word 'digit' when talking about the individual parts of a number.

On the right hand side of the screen, you will see a tab that will take you to further resources as explained below. These can be downloaded and used to support you and your child with their maths learning.

Thank you for your continued support,
Leah Nock and Jo Hunt.
