Parking Notice

Please can we ask that you **DO NOT** move cones that have been placed in the drop off area.

We occasionally put cones out to block this space for coaches collecting and returning children to school.

If they are moved and cars park, it can cause a safety issue for our children. Children should not be crossing between parked cars and is unfair to ask them to do so.

Severe Weather Reminder

This is a reminder that in severe weather, including heavy snow, freezing temperatures, or other hazardous conditions, the safety of our pupils and staff is our top priority.

If a decision is made to close the school it will be communicated promptly via an email and text and via our social media channels. Any decision to close will be made on the basis of health and safety grounds.

Please check MCAS to ensure that we have the correct contact details and amend where necessary.

During cold weather, please ensure that your child dresses warmly in layers, including hats, gloves, scarves and that all items are CLEARLY named to allow us to return items if lost.

If there are any further questions please do not hesitate to contact the school at office@kingsnorth.kent.sch.uk

A message from Mr Witts, Headteacher

Welcome back to school after the Christmas break! We hope everyone had a wonderful holiday, filled with fun, family, and lots of memories. Now, it's time to get back into our learning mode and make this new term even better than the last!

We have had a fantastic first week back, and it's truly lovely to see the children's smiling faces again.

As we continue with the new term, we want to remind everyone to stay safe and warm, especially with the colder weather.

Please take a moment to review the friendly reminder in our newsletter about staying warm and safe during this chilly season.

Thank you for your continued support, and we look forward to an exciting term ahead!
