

🚧 KINGSNORTH PLAYING FIELDS FOOTPATH IMPROVEMENTS 🚧

Kingsnorth Parish Council is excited to announce that works on resurfacing the footpath leading from Park Farm up to Kingsnorth Playing Fields and Primary School will be starting next week (Monday 20th January).

We are hoping to complete the works in sections and during school hours so that areas of the path can still be used to get to the school for drop off or pick up.

The weather will play a role in this project so please be patient if areas of the path are not usable to any reason during the works.

We hope you enjoy the finished path.... Any questions please let us know.
