Bikeability Cycle Training (year 5)

Dear Parent / Guardian

We are pleased to offer your child a place on a Bikeability cycle training course. This is scheduled for week commencing 12th May 2025. The cost is £15 per pupil.

The course begins with a safety check to ensure that children's bikes are roadworthy (basic adjustments will be made if required) and continues to include skills/exercises on the playground. This will then be followed by basic manoeuvres, on local roads, for those who have reached the required standard of bike control.

Children will need a roadworthy bike and a helmet. Please ensure that your child's bike fits correctly and is safe to ride. (Need an affordable bike? Check out www.CycleCircle.co.uk/ReCycle).

If you wish your child to take part, please complete the online consent form using the link or QR code below by Friday 28th March.

You will need to pay £15 onto MCAS (on the products tab online or on the shop tab on the app), so that the school can marry up the consent forms from Bikeability, and your payment, to ensure your child can take part.

Please make your payment by **Friday 28th March**, for your child to be guaranteed a place.
