- 7th - 18th April - EASTER HOLIDAYS**
- 21.04.25 - Bank Holiday - No School**
- 22.04.25 - Term 5 begins

Year R

To celebrate Mother's Day, YR have drawn pictures of their mums which will be published in a special supplement in the KM Media Group newspaper on 27th March. The special My Mum 2025 supplement can be purchased from the local newsagent, or supermarket.

To celebrate the supplement, parents of children taking part in My Mum can take advantage of an exclusive offer just for them.

They get a full year's worth of access to KentOnline premium, the app, and all of the digital newspapers and supplements for just £20, that's better than half price, by using the offer code **MYMUM** at

www.kentonline.co.uk/subscribe/

School News

We wanted to make you aware that we are looking to introduce an app called 'Fetching' to the school community.

The aim of this will be to assist parents, for the start and the end of the school day with drop off and pick up. This revolutionary two-in-one platform improves attendance and safeguards collection time by connecting schools, parents and their support networks to ensure every child gets to and from school safely. The free app that lets you connect with friends, share pick-ups and keeps the school informed.

The aim is for parents to use this app to arrange secure drop off/collection and with this linking to the school, so no need to contact the school separately and risk that one message not being picked up in time for the last minute change.

We are in the process of setting up and will advise when we have more information in term 5.

TT Rockstars Weekly Tournament

Y3 / 4

This week's winners are 4P again with 25,344 correct answers. Congratulations!

Our top contributors this week:

- 1st: Aadit (3B)
- 2nd: Samuel (4P)
- 3rd: Ying Hay (3B)

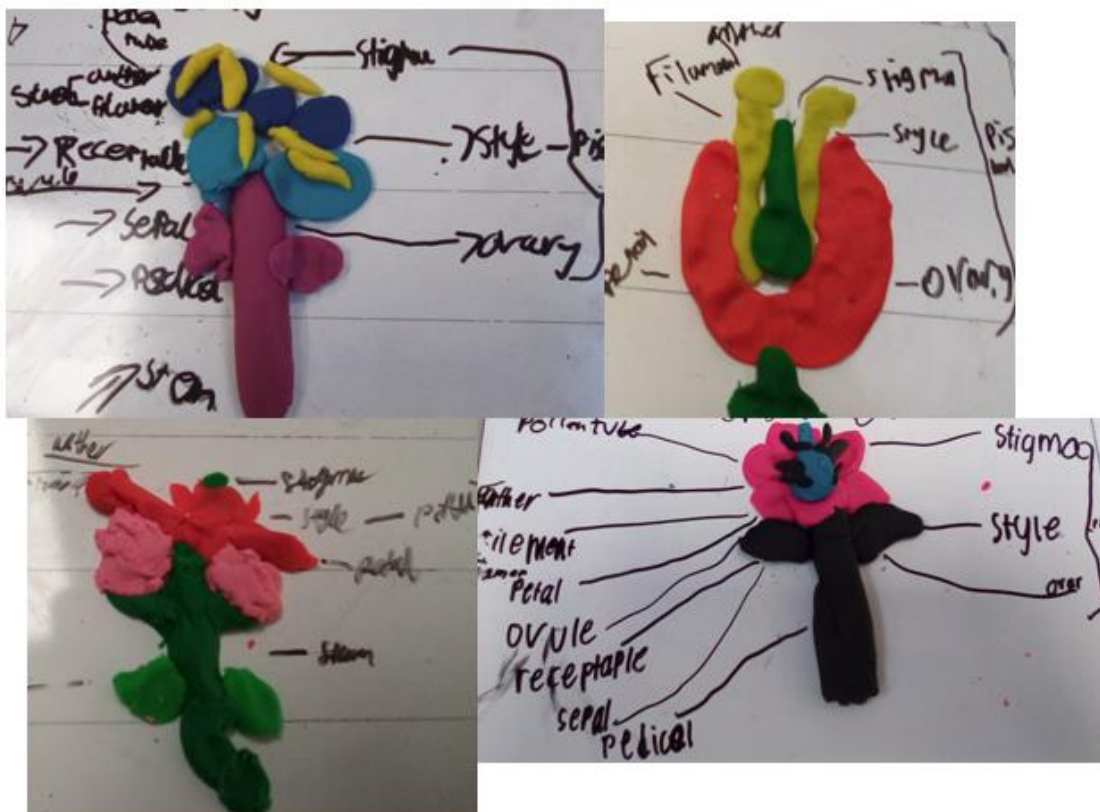

Y5 / 6

5K have won this week with 11,916 correct answers. Congratulations!

Our top contributors this week:

- 1st: Ava (5N)
- 2nd: Lily (6C)
- 3rd: Lavanya (5K)

In year 3 we have been learning about plants. This week we explored the role the flower plays in the life cycle of a flowering plant. We learnt about the parts and their role and then created our own flower to help us describe what happened.

Staff and children came dressed in 80s/birthday gear today to support Comic Relief/Red Nose Day.

We saw neon colours, tutus, party hats, birthday badges and a LOT of denim!

A huge thank you to all of those that have made a donation and supported the charity. If you still wish to make a donation, please [click here](#)

The School Council have been impressed with the compassion, friendship and community demonstrated by their peers and staff. THANK YOU

Zara P in Year 3 tested for her black belt in martial arts last Saturday. Zara has just found out that she has passed with flying colors, Zara is now a Black Belt 1st Dan.

Well done Zara this is an amazing achievement!

Year 6

Last term, Year 6 planned, drafted, revised, edited and published our very own discussion texts as part of our writing curriculum.

Each discussion topic was chosen by the children: some more controversial than others. Over the course of the next few terms, we will be releasing 6 published copies for the parents to read, discuss and form their own opinions about. Maybe some texts will even spark a debate across the dinner table.

These will be sent as an attachment with the newsletter each week.

This week's text are from Buddy B, Charlie R, Deborah A, Noah M, Jasmine H, Jessica D

Enjoy! Mr Clark & Mrs Lauchlan
