School News

Thank you to everyone who donated to Red Nose Day. As a school we raised a total of **£223**.

From Tuesday 22nd April the price of a school dinner will increase to £2.95, as per the letter sent via MCAS in February. From this date, the new Spring/Summer dinner menu will begin. The menu has been sent out via MCAS, is available on our website and paper copies are available from the foyer.

On Monday, Year 5 had the opportunity to engage with some learning from the Singleton Environment Centre. They found out about what climate change is, demonstrated an understanding that different activities produce different levels of carbon emissions and were able to show how climate change affects our planet.

Year 6

Last term, Year 6 planned, drafted, revised, edited and published our very own discussion texts as part of our writing curriculum.

Each discussion topic was chosen by the children: some more controversial than others. Over the course of the next few terms, we will be releasing 6 published copies for the parents to read, discuss and form their own opinions about. Maybe some texts will even spark a debate across the dinner table.

These will be sent as an attachment with the newsletter each week.

This week's text are from Imogen, Diar, Elliott, Kayden, Chloe and Lolabelle

Enjoy! Mr Clark & Mrs Lauchlan
