Medication

As we are entering allergy season, if your child suffers from hay fever, medication **must** be administered before school.

If your child suffers from asthma, please ensure we have an in date asthma pump at school and you have completed a care plan. This must be checked in via the office, not the classroom and not left in the child's bag during the day, to safeguard all children.

School News

School Photos - This is a reminder that the cut-off date to order the photos with free delivery back to the school, is Friday 25th April at midnight.

Last term, some of our year 2 children were invited to create the next edition of our school podcast. They were very excited for the opportunity to interview a member of staff.

A Message from Mr Witts, Headteacher

Welcome Back to Term 5! We hope all our families enjoyed a relaxing and joyful Easter break. As we begin Term 5, there's a real buzz of excitement around school with so many wonderful activities and opportunities planned for the weeks ahead.

✦ What's Happening This Term?

We're thrilled to share a host of exciting events taking place across the school:

- 🏠 **Year 4 Kingswood Residential**

A fantastic chance for our Year 4 pupils to build independence, confidence and friendships.

- 🚌 **Year 3 Kingswood Day Trip**

A fun-filled day of adventure and team-building closer to home.

- 🕺 **PFA Disco**

Always a highlight—music, dancing, and plenty of fun for everyone!

- 🍰 **Year 6 Bake Sale**

Get your sweet tooth ready! Year 6 will be whipping up tasty treats to raise funds.

- 🚲 **Bikeability for Year 5**

Helping our pupils stay safe and confident while cycling.

- 📖 **Year 6 SATs**

Best of luck to our Year 6s — we know you'll do your very best and make us proud!

We're looking forward to a joyful and successful term with our wonderful school community.
Thank you, as always, for your support!

How we use No More Marking in the future

As you know we work with No More Marking who provide us with a robust method of moderating pupils' writing. We are looking to improve the efficiency of how we implement No More Marking and in February we will be trialling an AI based method of speeding up the moderation process with No More Marking. The method requires us to share anonymised images of pupil writing from their national writing tasks that will be transcribed and shared with AI cloud services.

The data may be transferred to servers in the United States but we ensure it benefits from an adequate level of data protection by relying on Adequacy decisions and Standard contractual clauses. The data is deleted on the backend within 30 days of receipt or generation. The data is not used to train AI models. For further information please see the GDPR and privacy notice from No More Marking.
