Bicycle recycling project - Goldwyn School

This project has been running for 8 years, this is how it works:

- The local community donate unwanted bikes to their not-for-profit community project
- They fully service and clean the bikes (with the help of the students at the school)
- The refurbished bicycles are made available at their regular bikes sale events at an affordable cost (saving around 60% on retail prices)

During the event they will be offering bike checks and learn-to-ride support for any non-riders, both children and adults - both those services are for free!

Please see attached flyer for more information

School News

Please note that Mrs Rich will be unavailable all day on Thursday 22nd May. Please contact class teacher for anything urgent.

The Year 4 Children had an exciting time at PGL, listen to the Podcast to hear about the fun they had.

TT Rockstars Weekly Tournament

This will be a rollover to next week.

Year 3 had their day trip to PGL last week. The activities the children could participate in were: High Equilibrium, Den Building, Zip Line and Nightline. The children pushed themselves out of their comfort zone, took risks and worked well together. They were so supportive of each other. It was an absolute joy to see them all shine and great fun was had by all.

ALL WELCOME!

**Karen,
Secretary/Treasurer**

I joined the PFA in 2015 when my eldest started at Kingsnorth. Both my children have loved being involved with the PFA and often help with setting up events - the eldest still comes back to the school to volunteer!

I took over DJ duties at the school discos a few years ago when we decided to try running our own regular discos. I really enjoy these as it's a great way to get to know the pupils - they have much more of a pulse on the current music trends than me so discos are very much a joint collaboration!

When I'm not being a DJ or selling ice-creams at PFA Frozen Fridays, I work at the Houses of Parliament as a Hansard clerk.

PFA life is very rewarding - You learn new skills, we all share the various roles and support each other. It's a great way to get to know better your child's school and I've met some amazing people through the PFA who are friends for life! If you'd like to join us we would love to hear from you at Kingsnorthschoolpfa@gmail.com
