 08.07.25 - EYFS NHS vision screening
 09.07.25 - EYFS Bus visit
 14.07.25 - Open Classroom @ 15.15

Message from Mr Witts, Headteacher

As we approach the end of another productive term, I'm delighted to share some exciting updates. Our OPAL resources collection for non-uniform day has been a resounding success, enhancing our pupils' play experiences. We celebrate the tremendous efforts of our PFA and Year 6 in their recent bake sale, as well as the enriching Kingswood experiences for Years 3 and 4.

I'm pleased to welcome Miss Thind to our Year 3 teaching team. Looking ahead, we have several important dates: the Year 1 Phonics Screener on 9th June, Year 4 Multiplication Tables Check on 2nd June, and our eagerly anticipated Sports Week commencing 16th June.

Your continued support in these endeavours is invaluable. Together, we're fostering an environment of growth and achievement.

School News

The Year 1 children have enjoyed making this term's podcast, a special interview with our Chair of Governors. I hope you enjoy listening.

A reminder about Car Seat Safety/Law in the UK

Children under three

Must always use a car seat

If a car seat is not available, it is illegal for the child to travel in the vehicle.

Children 3-11, but under 135cm tall

Must use a car seat that is the correct seat for your child's age, height and weight whether travelling in the front or the back seat.

For more information regarding which correct car seat is suitable for your child/ren age, height and weight, please see the attached poster or click on the link below:

TT Rockstars Weekly Tournament

Y3 & 4

4P are our winners again this week with a massive, 40,735 correct answers. [Congratulations!](#)

This week, we have done things slightly different and I have looked at those students who have shown commendable effort across the past 3 terms, who may not have been awarded most valuable players.

These students are:

Millie (6L)	Lydia (3B)
Elsie HB (6C)	Regan (4P)
Ryan (5N)	Mya (4T)
Max B (5N)	

Y5 & 6

The winners this week were 6L with 5112 correct answers. [Congratulations!](#)

In Year 5, we have been learning about the Ancient Greeks.

We found out that theatre was very popular during the Ancient Greek civilisation and most towns and cities had a theatre. Comedy and tragedy masks were used by the actors to show their emotions, so we designed, made and painted our own comedy or tragedy mask.

Can you tell which is which?

1A have been learning how to write formal and informal letters. We posted our formal letters on Friday last week and can't wait for a reply! The Royal family, Lewis Hamilton, Saka, Salah, Taylor Swift and lots of the Gladiators should be having some exciting post from us very soon! Thanks to Mr. Witts for buying the stamps for us.

We will keep you 'posted!' 😊

Bikeability

Last week, some of the Year 5 children had the opportunity to improve their road cycling skills by taking part in Bikeability. Being able to ride our bikes on the road safely is an important life skill and the instructors were really impressed with the improvements they saw in all of the children involved. Well done!

Last week, the year 5 children shared their graphic novels with year 4.

Earn your PFA Ambassador badge & have fun!

If you're coming to the Country Fayre on Saturday 24th May please you sign up to run a Kingsnorth school PFA game for 30 minutes!
