Water Bottles

We are seeing an increase in the amount of children coming to school without a water bottle.

Water is crucial for children's health, growth, and overall well-being. Water also plays a role in cognitive function, concentration, and even mood in children.

We will contact you to ask if you can bring a bottle to the school, if your child doesn't have one.

The school providing your child with a small cup isn't a sufficient amount of water for the day.

School News

Following last week's news about Miss Bowman, please be advised that in her absence:

- Any queries regarding Year 2, in the first instance should be directed to the Class Teachers, or for further support please refer to Mrs Hunt (RH) as Phase Leader.
- Queries concerning Years 3 and 4, again in the first instance should be directed to the Class Teachers or for further support as Phase Leader contact Mrs Lauchlan (6L).

They will both be covering Miss Bowman's Phase Leader duties during this time.

In addition, we are delighted to share some joyful news: Miss Gore and Mrs Knight are both expecting babies this Autumn.

We're sure you will join the staff and governors in extending our warmest congratulations and best wishes to them both as they prepare to welcome their new arrivals.

- 2nd: Theo (4P)
- 3rd: Harry W (4T)

Last week, 2F enjoyed designing and making windmills in DT.

We use a company called Caterlink to provide the school with our meals.

They would like some feedback from parents on their meal provision.

Please click on the below link or scan the QR code if you would like to take part in their survey.

The survey will close on 31st July

This week Year 2 enjoyed a visit from two guinea pigs, Mixie and Magic who are only 14 weeks old. This supported our Reading lessons about Olga Da Polga and our spirituality. Thank you to Mr and Mrs Self.
