Managing concerns

We would politely like to remind parents that should there be a concern raised regarding your child please talk to the school and allow us to manage any concerns or incidents raised. As a parent we understand that it is difficult not to become involved and share information with other parents or discuss the matter outside of school.

As a school we follow the school behaviour policy and manage all incidents with care and respect to everyone. As you know we encourage our children to uphold the school values, which we know as parents you support.

Last week, the children who came to nurture made miniature lamps out of tea lights and ping pong balls. The children enjoyed using paints to create their individual designs.

Ryker in Y3 attended a District Camp Scout Activity event in May. Children were asked to design a badge to be their event badge.

Out of over 300 children, Ryker's design was chosen and he was awarded a certificate this week to mark this achievement.

Congratulations Ryker!

Congratulations to Annie in Y5, she has received the Chief Silver award at cubs on Tuesday.

This is the highest achievement in cubs, and was the result of Annie completing all 7 of the Challenge badges during her 2 years with the pack.

Well done Annie!

Wow, what a Wednesday! Year 1 had a fabulous time at the Singleton Environmental Centre. We made mini beast books and magnets, used chalk to draw bugs, as well as pond dipping and insect hunting.

It was super-hot but so much fun. Huge thank you to the ladies at the centre and all of our volunteers.

Year 2 spent the day learning about looking after the environment. They learnt how to make their own notebooks from recycled materials. Both classes enjoyed their workshop. Thank you to the PFA for sponsoring the event.

On Thursday all of Year R enjoyed a Space Day at school!

We learnt all about space, the solar system and space travel to the moon in the huge Space Dome! The children's imaginations were sparked, and they spent 'choosing time' constructing rockets and zooming around the playground having blasted off from Earth. At snack time the children taste tested Astronaut Food; freeze dried peaches and bananas were the clear favourite. Through-out the day the children completed various Space themed activities; writing about Aliens from the book 'Aliens love underpants', making name rockets and astronaut masks.

On Tuesday, 9 children from Year 1 & 2 took part in a cricket tournament at Mersham Cricket Club. All children were utterly amazing and were recognised for their fielding as a team by other schools and coaches. In the competition Kingsnorth came third overall and they played absolutely brilliantly. We are very proud of their team skills and enthusiasm.
