 28.10.25 - Term 2 begins

### School News

Please ensure that there is credit on your child's dinner account for their school dinners. All dinners must be paid for in advance via MCAS.

This also applies to all wraparound services eg Breakfast and After School Clubs.

Thank you for your cooperation.

This week we welcomed the mobile library to school. This was an opportunity for those children who had not completed the summer reading challenge to gain their certificate and medal.

Year 6 designed and built some very impressive Anderson Shelters over the summer to kick off our WWII topic this term. The design had to meet the following criteria:

- A Lego man must be able to fit inside.
  - It must be waterproof.
  - It must hold a 1kg weight on top.

We have now tested all the shelters, and it was a great success for most, apart from a few leaks!
