My First Day at School - Story Time!

We can't wait to meet you at one of our story time sessions.

We have an amazing opportunity for children rising 4 years old who are interested in having a taste of our school by joining us for a story time.

It is a time for parents to support their little one enjoying a story being read to them by a member of our school team.

The sessions are open to the school and wider community.

If you have a rising 4 year old it would be great to see you at our sessions!
