### To all drivers

Please be respectful to everyone on and around the school site.

Please Park sensibly and thinking of others.

Do NOT Park on the zig zag lines on Church Hill – this is a traffic offence and highly dangerous.

Do NOT Park in the drop off zone in the morning – this is for dropping off only – to support all those who need to get to work etc.

Please keep the horseshoe in the school car park flowing for emergency access.

Thank you for your continued support

## School News

For Harvest Festival we will be collecting any tinned or dry food donations until Friday 10<sup>th</sup> October. This year we are collecting for Bright City Church who are partnering with Ashford Borough Council, Fareshare and local food businesses to provide food parcels for those who are vulnerable to the effects of the economic pressures. Please could donations be given either via the classroom, or main reception.

The organisation "We Are With You" <https://www.wearewithyou.org.uk/local-hubs/kent/services/mind-and-body> are offering a free workshop for parents with primary school aged children dealing with anxiety. The content will be loosely based on CBT techniques, looking at what anxiety is and what it means to you as a parent, what could keep it going/symptoms to look out for, what tools you can try out and creating a safe space for your child.

There will be 5 sessions in total and they will run virtually every Monday from 6-7pm (1hr each).

If you would like to find out more, please email [fo@kingsnorth.kent.sch.uk](mailto:fo@kingsnorth.kent.sch.uk) and Mrs Rich will arrange for a member of the organisation to make contact with you by email.

### Happy Birthday Dexter!

The children that were lucky to have Hot Chocolate Friday were surprised when their teddies were there to help celebrate Dexter's birthday.

## OPaL water Walls.

A huge thank you to Bliby Plastics for their kind donations of cut piping, piping ends, connections, guttering. Our year 6 pupils who remained in school this week, worked amazingly well together. Earlier this week they created designs with measurements for our OPaL water walls. Today they worked to bring their designs to life!.

Once completed, they tested their designs and were very pleased when they could see their designs being used by other children at lunchtime.
