Opal

Now that the wetter weather is upon us, the children will not be allowed on the grass area at play times without a change of footwear i.e. wellie boots or spare trainers. They will also need a waterproof jacket and trousers.

This will allow the children to play in the mud without getting their uniform wet and muddy.

Named boots can be left at school and kept in their classrooms.

School News

We have updated our term dates. Please see the attached or you can view them on our website.

Mrs Knight is running an MFL competition to encourage children to see the importance, as well as enjoyment, of learning a language. Children have been asked to create a poster in a language of their choice, about any topic they like. For example, they could do a Spanish poster displaying the names of pets, a French poster about different foods, or could even branch out of Europe and do a Mandarin poster teaching the numbers 1-20. She would like them to make it eye-catching, so colourful drawings are encouraged. Deadline for the completion is end of day, Thursday 6th November and winners will be announced in class and in the newsletter on Friday. Any questions, please direct to Mrs Knight.

A message from Mr Witts, Headteacher

Welcome back to a new and exciting term! The leaves are changing, the air is crisp, and we have a wonderful line-up of activities planned to celebrate the autumn season and lead us into the festive Christmas period. It's wonderful to see our pupils embracing the spirit of the season — showing kindness, creativity, and enthusiasm in all they do. Thank you to our parents and carers for your continued support.

PFA Fireworks Event

We are very much looking forward to our wonderful PFA Fireworks Event this Saturday, 1st November, doors open at 17.00, fireworks start at 18.30

A huge thank you to the amazing team of volunteers who make this event possible — your hard work and community spirit are truly appreciated!

Christmas at Kingsnorth

Our Christmas celebrations will be concentrated into the final week of term. We're excited to share a festive week full of joy and tradition, including:

- **Christmas Dinner**
- **Christmas Jumper Day**
- **Carols Around the Tree**
- **Panto Performance!**

It's always a highlight of the year, and we can't wait to celebrate together as a school community.

Reminders

- ✓ Please ensure children bring warm coats, hats, and gloves for outdoor play.
 - ✓ Check that all items are clearly labelled with your child's name.
- ✓ Attendance matters – every day counts! Let's keep up our excellent attendance record.

As part of our commitment to being a Healthy School, we encourage all families to ensure that lunchboxes reflect healthy eating choices.

- **No chocolate please** – chocolate is not considered a healthy snack and often leads to an instant sugar boost followed by a crash, which can be difficult for children to manage during afternoon lessons.
- **No fruit juice or drink cartons** – although some packaging may claim to be “school friendly,” these drinks do not meet our school's healthy eating policy. We recommend **water** as the best and healthiest option. Worth sending home the school policy on this?>
- **No nuts** – please remember that we are a **nut-free school** to protect pupils with severe allergies.
- **Allergies** – Any other allergies we need to highlight?
- **Independent eating** – please ensure that your child's lunch items are things they can **open and manage independently**. Staff are not able to assist every child with packaging, so simpler items make lunchtime easier and safer for everyone.

We are incredibly grateful for the generous donations received for our Harvest Festival hamper last term. On Monday 13th October, during Collective Worship, our worship leaders proudly presented the contributions to Mr Iain Fowkes from Bright City Church. Mr Fowkes visited Kingsnorth to personally thank everyone for their kindness and to share with the children how these donations make a real difference in supporting those in need within our local community.
