School News

Thank you to all of the children who entered Mrs Knight's competition of designing a poster in their language of choice. She was very impressed by the wide variety of languages that were chosen, from Spanish to Mandarin. It was really tricky to pick the winning entries as there were so many to choose from, so some runners up have also been selected;

The winners are: Azelya-Rea - 1B, Matilda - 3G, Anvi - 5B

Runners up: Dubem - 6C, Bella - 6L, Dominique - 5B, Beatrice - 5B, Olivia - 5T, Adriana - 5B, Eloise - 3G.

Well done to all those children. Please can they come and find Mrs Knight at lunchtime on Monday to collect their well-deserved prize!

Kingsnorth School Council

Hello from the school council members. We wanted to let you know what we have been discussing and what a meeting looks like.

Our meetings start by sharing the charter - which states the rules for every meeting, it includes us all agreeing to use kind and positive words and making sure we listen to each other. We always talk about Opal, what our classes think is going well or what we would like to see improved. Then Mrs. Amos will bring things up for discussion, sometimes this is about things that are happening at school, or about charities, or sometimes about things that we may have seen in the news. We have a chance to talk about how we feel about school life and things the PFA do for us. If there are important visitors coming into school, we go to Mr. Witts's office to talk - this is both scary and fun!!

Occasionally, we have other members of the school join us, this includes the governors or other staff. This week we looked at a hot air balloon and talked about what we do to 'lift ourselves up' when we are feeling low or 'heavy'. What do you do?

Look out for our letter about Anti-bullying week and Children In Need - we are going to wear 'odd socks' to school on Friday next week.

We hope you enjoyed finding out about our meetings. Thank you, from The School Council members 2025/26

Last term Year 3 focused on the Stone Age to the Iron Age. In class they learnt about what life was like, how people lived and how they made iron. As part of our topic work we asked the children for their homework to create a model of Stonehenge which was built during this period. We were amazed by all the models that the children made and brought in and we thought it would be lovely idea to share them with everyone.

Reading for Pleasure

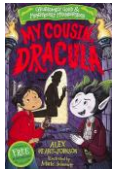

Book of the Month!

Fia and the last Snow Deer by Eilish Fisher. A great read for KS2 readers.

'A bewitching verse novel set in prehistoric Ireland, Fia and the Last Snow Deer sends the eponymous girl and her cousin on a quest to save their reindeer from being sacrificed and to discover the mythical Deer Mother.'

Weekly book recommendations

KS1 - Dave Pigeon (Turkey Dinner) by Swapna Haddow - *'It's the most wonderful time of the year: there's frozen white dust on the ground, the Human Lady has decorated her nest with shiny things, and the scent of scrumptious goodness is wafting from the kitchen . . .'*

KS2 - My Cousin, Dracula, by Alex Peart-Johnson - *'Being half vampire, half human comes with its own unique challenges, but Jon didn't think it meant losing body parts! He's already worrying about the stupid long weekend ahead at Castle Dracula. Especially as no one at Castle Dracula likes humans. Even half ones.'*

Kingsnorth Vocab Challenge

Each week, we will have a brand-new word for you to learn to help grow your brains. If you can use it in your writing correctly, show your teacher and you'll earn 2 house points for completing the challenge.

Try and talk about the word around the dinner table or with your friends.

The more you say it, the more you'll remember it!
