

**2<sup>nd</sup> December 2025**

Dear Kingsnorth Parents/Carers,

## **Future of the PFA**

We wanted to let you know that there will be some changes to the PFA team in the new year. Three of our long standing members will be stepping down from the PFA committee and we are therefore looking for new members to take the work of our charity forward.

It is a fun role, we get to put on amazing events for the children and raise funds for our children's school. Our relationship with school is excellent and we want to continue the PFA's work as much as possible so need new members to come forward please!

If you are interested please do drop us a line at [kingsnorthschoolpfa@gmail.com](mailto:kingsnorthschoolpfa@gmail.com)

We only ask our team to commit to what they can manage and we can decide, as a committee, how busy our events calendar is so please do be assured that you will be fully supported and working as part of an amazing team!

With new committee members we can continue to deliver all the exciting things we do including the Discos; Christmas fayre; Fireworks night; Class parties; Reception events and Leavers' parties. As well as being really fun for the children, these events raise important funds for our school which pays for:

- Enrichment workshops for every year group (Romans/petting zoo etc)
- All the after school activity sports groups
- The whole school pantomime
- IT equipment
- Various financial support to individual classes as requested
- Resources for all classes

We hope we can continue but we need new PFA committee members for this to be possible so please do get in touch if you can help!

**Abbie Self**

**Chair, Kingsnorth School PFA**
