

Each month we'll be exploring a different environmental theme during the drop and leave session. You'll then choose which action to complete at home to fulfil that section. Complete 6 (or more) of the 9 sections to receive your EcoWarrior certification.

Who? All eco friendly kids aged between 8 - 15 years

What? Monthly themed sessions with hands on practical activities to support discussion and learning. At home challenges to support your certification

When? Last Saturday of the month, February - November (no session in August); 10am - 12pm

Cost? £25 per participant to cover all 9 monthly sessions with activities and course booklet and award
