Dear Parents and Carers,

This year, our school is proudly celebrating it's 160th Anniversary. To mark this very special occasion, we have arranged for our school photographers to visit and take a commemorative photograph of all our children and staff.

This photograph will be displayed within the school and may also be shared more widely with our community, including via our social media channels.

As this involves images of the children, we would like to offer an opportunity for families who have previously opted out of their child's photo being used on social media or internet. If you would like your child to be included in this anniversary photograph and are happy for the image to be shared on this occasion, please contact the school office by 1st May.

If we do not hear from you, your existing permissions will remain unchanged.

Thank you for your continued support as we celebrate this important milestone in our school's history.

Yours sincerely,

Iain Witts
Headteacher
