

**OPaL Shoutout**  
**to Dads, Mums, Grandparents,**  
**members of the local community**

Can you help us resource supplies for the children to use in creative play?

**Do you work for a company who could donate:**

- Anything creative to develop young imaginations
  - boxes
  - tubing
- paint brushes / paint rollers
  - guttering
  - tarpalin
  - crates
  - wood
- foam tubes
- any off cuts that would normally go in the skip
  - material
  - logs
  - fencing
  - trellis
  - twigs
  - sand
  - soil
- building supplies

**PLEASE THINK OF US BEFORE YOU DISPOSE OF IT!**

- ◁ If you clear your shed
- ◁ If you clear you garage
- ◁ If you clear toys, games from your children's bedrooms

**PLEASE THINK OF US**

If there is something that you are going to throw in the skip, that is of ok quality, please consider if it is something that the children could use to trigger their imagination.

OR

Do you have the handy man skills that you could offer a few hours of your time to help us?

We are in the process of organising the great donations for the mud kitchen – watch this space.

Please contact the office if you could offer help or to drop off your donations.
