Headteacher: Mr Iain Witts

Dear Year 2 Parents,

Subject: Staff Rotation

As we look towards transition later this term and prepare to support the children moving from Key Stage 1 to Key Stage 2, we have reviewed our provision and identified opportunities to improve on our processes from last year. Our aim is clear: to build increased resilience and independence in readiness for KS2 so that each pupil is equipped to thrive academically and socially as they move into the juniors.

To that end, we have decided to rotate the support staff in Year 2. This change is designed deliberately to expose pupils to a slightly broader range of adult support and expectations, to consolidate routines, and to encourage pupils to take greater responsibility for their learning and behaviour. The rotation will enable staff to share best practice, reinforce consistent approaches, and focus on targeted strategies that develop independence.

Please be assured that the current support staff will still continue to support the children and the teachers — they have not gone anywhere. They remain integral to our Year 2 team and will be available as before; in practical terms, they will simply be next door if ever needed. This arrangement ensures continuity of care while allowing us to implement the improvements described above.

We are confident this measured change will better prepare our pupils for the transition to KS2 and improve the process. Thank you for your continued support as we implement these refinements in the best interests of your children.

If you should have any questions, please direct them to the Year 2 teacher or Mrs Nock the Middle School Team Leader.

Yours sincerely,

Iain Witts
Headteacher
