Dear Parents/Carers

On Wednesday 10 June, we will be welcoming a representative from the Sikh Education Service to lead an assembly for the whole school, as well as workshops for pupils in Years 2 and 3.

This visit will support pupils' learning about Sikhi as part of our RE curriculum and will provide an opportunity for children to learn about Sikh beliefs, traditions, and values through engaging activities and discussion. We look forward to enriching our pupils' understanding of faith, culture and respect for others.

Many of our pupils may remember that our visitor joined us two years ago, and we are delighted to welcome him back to continue building on the learning and positive experiences from his previous visit.

The Sikh Education Service is a not-for-profit organisation delivering Sikh education workshops and assemblies to schools across the UK. The sessions are fun, informative, and delivered by a DBS-checked officer in line with the RE curriculum.

As with all visitors to the school, appropriate safeguarding and visitor procedures will be followed throughout the visit.

We look forward to providing this valuable learning opportunity for our pupils. Should you have any questions, please do not hesitate to contact the school.

Yours sincerely,

Mr Witts
