

Dear Parents,

Subject: Cancellation of Sports Day — Friday 12 June 2026

Following the postponement of Sports Day last term, we had hoped to hold the event on its rescheduled date of Friday 12 June 2026. Unfortunately, after careful consideration, we have made the difficult decision to cancel Sports Day this Friday due to factors outside of the school's control.

There are two main reasons for this decision. Firstly, the weather forecast predicts persistent wet conditions in the lead up to the day. We do not feel it would be appropriate or comfortable for children to spend extended periods sitting on wet ground, nor would it allow them to fully enjoy the event.

Secondly, ongoing work being carried out by the Parish Council has affected the field. Areas have recently been reseeded, part of the running track is currently covered, and the space available for spectators has been significantly reduced. As a result, we are unable to provide the safe and enjoyable experience that we would expect for both pupils and families.

We appreciate that many families may have made arrangements to attend and understand that this news may be disappointing. We apologise for any inconvenience this may cause.

We are exploring the possibility of arranging an alternative Sports Day later in Term 6 and will share further information as soon as any plans are confirmed. This will be dependent on the Parish Council confirming when the reseeded will be completed.

Thank you for your understanding and continued support.
