Spirituality Reflection

Every week you try something new and challenge yourself. This week try to take a moment to recognise how hard you've tried to learn something new.

School News

A reminder that there should be zero debt for School meals, Breakfast Club and After-School Clubs. Parents MUST pay in advance. Therefore we kindly ask that any debt is cleared as soon as possible.

Looking ahead to September, please ensure that children bring a pair of wellington boots and appropriate protective outdoor clothing to school. These items will form part of our school uniform requirements and will help ensure that children can play in all weather conditions.

For Parents - WhatsApp for Under 13's

With the exception of YouTube, WhatsApp has always been one of the most popular messaging apps, including for children under 13. This has always been a concern for a lot of different reasons, but out of the blue it seems that Meta have now created a parent-managed service which I think is really good.

Similar to other parent-managed accounts, a parent will pair their device/account to the child's device/account which then gives a lot of flexibility such as:

- No 'view once' messages.
- No location sharing.
- Messages and group invites from unknown contacts sent to the parent for approval.
 - Parent notifications, such as new contact added.

Congratulations to Arthur in 3H and Amelia in RH, who completed a Race for Life on Sunday in memory of their Great Grandad.

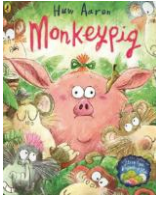

Together, they tackled the 5km course in an incredible time of just under 45 minutes and have raised over £700 for Cancer Research.

A special shout out goes to Amelia, who at just 4 years old ran the course from start to finish – a truly fantastic achievement! Well done, Arthur and Amelia!
