

Eco Challenge

Term 6 Eco Challenge!

Miss Gillmore has set the children an exciting challenge for Term 6! Inspired by Sir David Attenborough's 100th birthday, we would like our children to think about how they can help protect the environment and support local wildlife.

Could they create a bug hotel or bird feeder? Perhaps they could take part in a litter pick in their local area, or learn more about recycling and make sure everything that can be recycled is recycled, both at home and at school.

If your child creates something or takes action to make a positive difference to the environment or local wildlife, please send a photo (or bring their creation into school) to share with their teacher. Miss Gillmore will celebrate these fantastic achievements during our Friday Celebration Worship throughout Term 6.

If you're feeling inspired, why not apply for a Green Blue Peter Badge to recognise your environmental efforts? A Blue Peter Badge can provide free entry to many attractions, including zoos, museums and historic sites – perfect for summer holiday adventures!

Good luck, Eco-Warriors!
