Cancellation of Sports Day

Dear Parents and Carers,

I am writing to inform you that, due to the adverse weather conditions this week and a range of associated logistical challenges, we were required to postpone Sports Day, which had been scheduled to take place today, Friday 12 June.

We appreciate that this decision will be disappointing for pupils and may cause inconvenience for families. For this reason, we sought to communicate our decision as early as possible to enable parents and carers to make any necessary adjustments to work and travel arrangements.

Following a thorough review of the remaining school calendar and careful consideration of the many commitments already planned for the final weeks of term; including educational visits, external visitors, transition activities, the forthcoming school production and other key events — we have made the difficult decision not to reschedule the main Sports Day event this year.

This decision has not been taken lightly. It reflects the practical constraints of staffing, scheduling and pupil commitments during an exceptionally busy period of the school year.

We remain committed to recognising pupils' efforts and achievements. During the school day, pupils will still have the opportunity to participate in their finals races and fun races. Unfortunately, these events will take place without spectators. We will share the results and outcomes with parents and carers so that pupils' participation and successes will still be celebrated.

We understand that this news will be disappointing and thank you for your understanding, patience and continued support. We remain committed to providing positive and memorable experiences for all pupils throughout the remainder of the term and to celebrating their achievements wherever possible.

Yours sincerely,
