Dear Parents/Carers

Subject: Upcoming SIAMS inspection

Please find attached a letter from the SIAMS inspector, Sam Killick, regarding an upcoming inspection of our school on Tuesday 23rd June 2026.

This inspection presents a valuable opportunity for the inspector to observe how our Christian vision supports the wellbeing and development of everyone in our school community. As part of the process, you may be invited to share your views; your perspectives are important and will help provide a full picture of school life.

Thank you, as always, for your continued support.

Yours sincerely,
