

Newsletter – 02 October 2026 Changes to SEND at Kingsnorth CEP

Following the School's decision to restructure the senior leadership team, Denise Moore has agreed to take voluntary redundancy from her role as Assistant Headteacher and SENDCO at the end of this term. Kingsnorth Church of England Primary stands by its absolute gratitude for Denise's service to the school, including her dedicated 18 months as Acting Deputy Headteacher, and the support that she has shown to the whole community. As a school, we wish her well in her future.

We know that families may have questions about what this change means for their children but please rest assured that Kingsnorth remains dedicated to SEND and inclusion, and to providing high-quality education for every pupil. The support already in place for children with additional needs will continue. During this transition, the School Leadership Team will oversee SEND provision, supported by staff with SENCO training. We will keep families informed of any further changes to these arrangements.
