Spirituality Reflection

How can noticing small moments help us trust that our lives are meaningful, even before we can see the whole story?

Reminders

We kindly ask all parents to be considerate of our Kingsnorth community during school drop-off and pick-up times. Please remember that Church Hill, by the school, is a **30mph speed limit**. We ask that you drive carefully and do not exceed this limit. There are families and children crossing the road, as well as parents trying to safely access their parked cars, so please be mindful of those around you.

We would also like to remind everyone to be respectful of the residents who live along Church Hill and surrounding areas. Please ensure that you:

- Do not park in residents' driveways.
- Do not drive across or obstruct residents' driveways.
- Do not use residents' driveways to turn your vehicle around.

A little consideration goes a long way, and we appreciate your support in keeping everyone safe and showing respect to those who live in our local area.

School News

A huge thank you to everyone for your amazing support of our Sing2Save project. The bunting looks absolutely beautiful, and we are busy getting it all ready to hang up.

This week, we came together to sing *We Can All Do Better If We Try*, led by our wonderful choir at the front, proudly holding some of our beautiful bunting. It was a lovely moment of togetherness and community spirit.

A little reminder that MCAS is still open for donations, so there is still time to get involved and support this fantastic project.

Thank you to everyone who kindly donated to Children in Need last week.
We raised a total of £215.86.
Children across the school took part in doing various activities 26 times they ranged from star jumps and laps around the playground.

In keeping with this year's Children in Need theme, members of our School Council arranged the school's donations into the number 26.

Xavier in Year 4 recently joined A.C Ashford FC's U9's team.

At Saturday's match he was named Player of the Week with the team winning 7-0.

Well done Xavier!

Reading for Pleasure

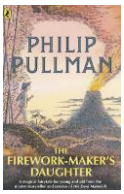

Weekly Book Recommendations

KS1 – Teddy's Midnight Adventure by Yoko Mori. *Teddy has lost his button eye, so he and Akiko walk through an evocatively illustrated moonlit world to try and find it. Everything seems different and mysterious at night. But by the time the sun comes up, there's a happy ending. A mesmerising, unforgettable and magical story of friendship.*

KS1 – The Glass Heart by Sally Gardner. *This is a dreamy fairy tale about three princesses with hearts made of glass. As they grow up in a kingdom of winding rivers and hidden gardens, life chips away at their delicate hearts – one shatters, one fractures and one stays intact. It's a gentle thoughtful take on how we cope with emotion and change, wrapped in gorgeous storytelling and illustrations.*

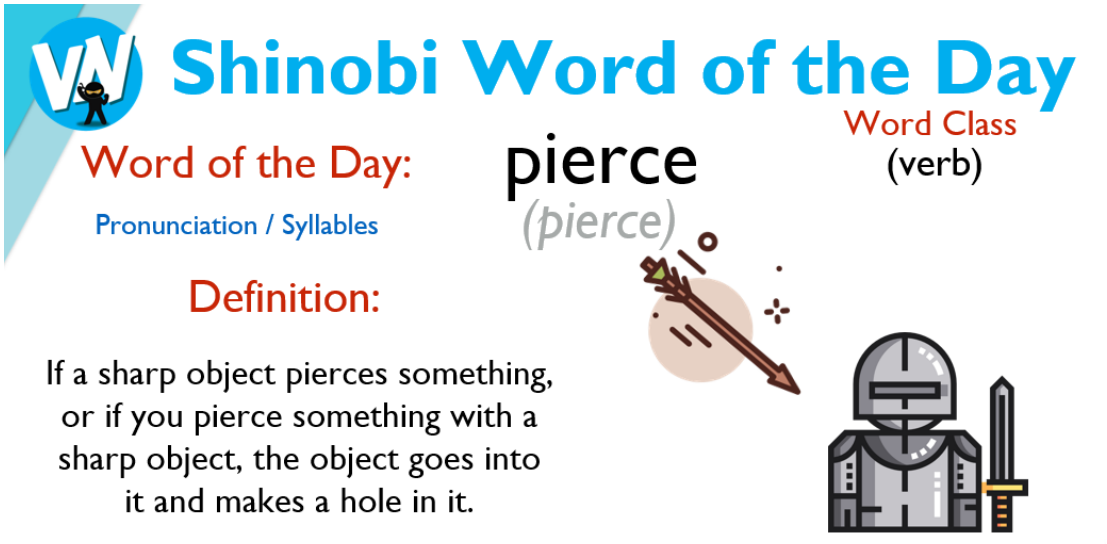

KS2 – The Firework Maker's Daughter by Philip Pullman. *A long time ago lived a firework-maker named Laichand and his daughter, Lila. Lila knows almost everything about fireworks, but there's one secret her father hasn't yet told her. An ideal book for modelling the writing of story settings, descriptions and dialogue.*

Kingsnorth Vocab Challenge

This week's word is ***pierce***

Remember, if you can use it in your writing correctly, show your teacher and you'll earn 1 Dojo point for completing the challenge. Try and talk about the word around the dinner table or with your friends. The more you say it, the more you'll remember it!
