Free KS2 learning support and 11+ Preparation

Dear Parent / Guardian,

We're pleased to let you know that our school has partnered with Atom Learning, the UK's leading online learning platform, to provide completely free KS2 learning and 11+ preparation support to children eligible for pupil premium. (Atom Home normally costs **£575.90 per year)**.

What is Atom Home?

Atom Home is an online learning and exam preparation platform for children aged 7–11. It supports Key Stage 2 English, maths and science, as well as verbal and non-verbal reasoning, Year 6 SATs and 11+ preparation.

Children can access adaptive questions tailored to their level, clear explanations, video tutorials, and mock tests, helping them learn independently, build confidence and strengthen their skills.

How to apply for your account

If you or someone you know has a child who would benefit from extra Key Stage 2 learning support or is preparing for the 11+, please apply here.

Once an application has been submitted, the child's primary school will be asked to confirm their pupil premium eligibility. Once confirmed, their free Atom Home account will be activated.

An exclusive offer for other families

As part of our partnership with Atom Learning, we're delighted to offer families whose children aren't eligible for pupil premium an exclusive discount on Atom Home. Register here and use the code **ATOMACCESS10** to get **10% off your first month of Atom Home**.
