Head of School Mrs S Sullivan

Dear Parent/Carer,

We have arranged several ways to keep in touch with your children during this time of school closure.

The Year 4 class page on the school website www.kingsnorth.kent.sch.uk will be updated daily with some challenges for the day. A special email address year4@kingsnorth.kent.sch.uk is available for the children to send any response to the challenges. We will look at these at the end of each day.

Seesaw

We are planning on using a new learning platform called 'Seesaw' in the near future.

We are in the trialling stage at the moment – this will not begin as early as Monday. Please use the Year 4 class page on www.kingsnorth.kent.sch.uk to see updates on when we will begin using Seesaw.

Seesaw will allow us to set certain specific homework tasks for your children for as long as the school is closed. They will then be able to send these tasks back to their teacher via the Seesaw website, and he/she can get back to the children with improvement comments or reinforcement. To do this the children will be given a 'sign in code', which is stuck in the children's books. This is a *purely voluntary activity*, parents can give children work that has been set on the website.

Thank you. We look forward to staying in contact with the children!

The Year 4 Team
