PRAYER SPACE

God of love,
We pray you give us love;
Love in our thinking, love in our speaking,
Love in our doing and love in the hidden places in our souls:
Love of our neighbours, near and far;
Love of our friends old and new;
Love of those with whom we find it hard to bear
and love of those who find it hard to bear with us;
Love of those with whom we work,
and love of those with whom we take our ease;
Love in joy, love in sorrow, love in life and love in death so that at length we may dwell with you,
who are Eternal Love.
Amen

Resilience in Children

TIPS TO BUILD EMOTIONAL RESILIENCE IN KIDS

- Spend quality time with kids.** When they feel loved and supported, children develop emotional strength.
- Talk about feelings** so your child learns to share their worries and fears with people they trust.
- Instead of rushing to solve problems,** give kids time to work things out themselves.
- When children experience failure or disappointment,** it's important to praise their effort and encourage them to try again.
- Acknowledge your own mistakes** to teach kids that mistakes are essential for learning and growth.
- If your child can't find a solution to a problem,** use gentle questioning to guide them towards it.
- Ensure kids are eating well and getting enough sleep and exercise.**

Diversity letter

As we near the end of the week and hopefully move closer to easing lockdown, spending time with people and enjoy more time with family - we wanted to reflect on the unsettling scenes in the USA (and now in the UK). We hope you have received our letter today regarding the ongoing effort we will take to diversify our curriculum and continue to be inclusive under our school values of Compassion, Endurance, Friendship, Thankfulness and Trust. ♥
